# INVITATION TO EXHIBITORS AND SPONSORS

[EUROMAT2023.com](https://EUROMAT2023.com)

## DEAR COLLEAGUES,

We invite you to join FEMS EUROMAT 2023, the 17<sup>th</sup> European Congress and Exhibition on Advanced Materials and Processes, on 03 - 07 September 2023 in Frankfurt am Main (Germany).

EUROMAT is the premier international congress in the materials science and technology field in Europe. The congress venue will be the Frankfurt Goethe-University's new Westend Campus with its park-like ambiance and beautiful travertine-faced buildings in the center of Frankfurt.

Frankfurt is situated in the heart of Europe and part of the important metropolitan area of Rhein-Main. Its international airport and excellent rail connections make it easily accessible. The combination of Frankfurt's skyline and the historic old town is absolutely unique and a must-see.

Germany has a long-standing tradition in material science and engineering. The community of materials scientists is represented by the German Materials Society (DGM), founded in 1919 and one of the founding members of FEMS (Federation of European Materials Societies).

As the first hybrid FEMS EUROMAT, we will offer the best of both worlds – physical and virtual. DGM's congress platform will serve as a proven interface allowing delegates to participate on-site or connect from anywhere online. This offers sponsors and exhibitors extensive opportunities to present themselves on-site and in our virtual congress space.

We look forward to welcoming you as an exhibitor or sponsor to Europe's largest materials science and engineering congress.

EUROMAT 2023, in Frankfurt, Germany.

On behalf of the scientific committee

**Prof. Dr. Ehrenfried Zschech**  
deepXscan GmbH, Dresden, Germany  
Chair of FEMS EUROMAT 2023

## SHORT FACTS

### Target Group

We expect over 2,000 international participants from the materials science and materials engineering community. The participants come from universities, institutes, and industries worldwide and are active in research and application.

### Areas

The focus of EUROMAT 2023 is on these eight main areas:

- A: Functional Materials
- B: Structural Materials
- C: Processing
- D: Characterization and Modelling
- E: Energy and Transportation
- F: Materials for Healthcare
- G: Education, Strategy and Technology Transfer
- H: Materials for Circularity and Sustainability

### Travel

Frankfurt's airport (FRA) is a large international air hub that's easily accessible from anywhere worldwide. In addition, Frankfurt's central train station is easily reachable via train from many European destinations.

### Congress Venue

The Goethe University was founded in 1914 as a unique "citizens' university". With over 48,000 students, Goethe University is the third-largest university in Germany. The Westend Campus is located in the center of Frankfurt with short distances to transportation hubs:

Frankfurt airport: 20 km

Frankfurt central train station: 2,8 km

Campus Westend, Goethe University, Frankfurt, Germany

## AREAS

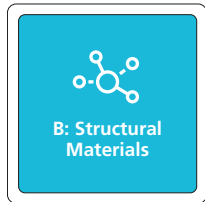

### A: Functional Materials

**Bernhard Bayer-Skoff**

TU Wien, Austria

**Luis Pereira**

UNINOVA, Portugal

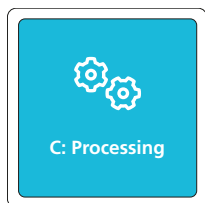

### B: Structural Materials

**Francisca Caballero**

Spanish National Research Council, Spain

**Pawel Zieba**

Polish Academy of Sciences, Poland

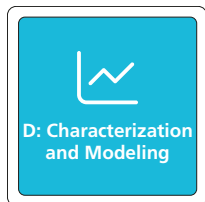

### C: Processing

**Eduard Hryha**

CHALMERS University of Technology, Sweden

**Ioanna Zergioti**

National Technical University of Athens, Greece

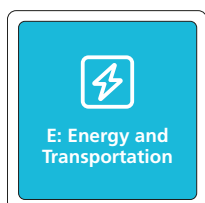

### D: Characterization and Modeling

**Eva Olsson**

Chalmers University of Technology, Sweden

**Christophe Pinna**

The University of Sheffield, UK

### E: Energy and Transportation

**Vito Di Noto**

University of Padova, Italy

**Dirk Lehmhus**

Fraunhofer Institute for Manufacturing Technology and Advanced Materials IFAM, Germany

### F: Materials for Healthcare

**Aldo R. Boccaccini**

Friedrich-Alexander-Universität Erlangen-Nürnberg, Germany

**Sandra Van Vlierberghe**

Gent University, Belgium

### G: Education, Strategy and Technology Transfer

**Marco Falzetti**

APRE - Agenzia per la Promozione della Ricerca Europea, Italy

**Paloma Fernández Sánchez**

Universidad Complutense de Madrid, Spain

### H: Materials for Circularity and Sustainability

**Gesa Beck**

SRH Berlin University of Applied Sciences, Germany

**Artur Braun**

Swiss Federal Laboratories for Materials Science and Technology (EMPA), Switzerland

## KEYDATES & DEADLINES

**28 FEBRUARY 2023**

EXTENDED DEADLINE FOR ABSTRACT SUBMISSION

**28 FEBRUARY 2023**

EXTENDED DEADLINE EARLY BIRD TICKETS

**MAY 2023**

AUTHORS CONFIRMATION

**JUNE 2023**

PRELIMINARY PROGRAM

**03 SEPTEMBER 2023**

START OF EUROMAT 2023

## EARLY BIRD TICKETS

### ON-SITE TICKETS\*

*These tickets cannot be booked separately without a catering package!*

FEMS MEMBER - FULL CONGRESS	805€
FEMS MEMBER - HALF CONGRESS	515€
REGULAR - FULL CONGRESS	950€
REGULAR - HALF CONGRESS	610€
REGULAR - ONE DAY	380€

### ON-SITE TICKETS - YOUNG SCIENTISTS\*

*Full Congress only. Bachelor, Master and PhD Students up to 30 years (proof required). These tickets cannot be booked separately without a catering package!*

YOUNG SCIENTISTS - FEMS MEMBER	433€
YOUNG SCIENTISTS - REGULAR	510€

### ONLINE TICKETS\*\*

*Full Congress only*

FEMS MEMBER	325€
REGULAR	380€

*\*On-site tickets include:*

*the possibility to watch all contributions on-demand for 14 days after the congress | catering package:*

- Coffee breaks (Monday, Tuesday, Wednesday, Thursday)
- Lunchtime snacks
- Welcome reception

*\*\*Online tickets include:*

*the online participation through a browserbased web congress platform and the possibility to watch all contributions on-demand for 14 days after the congress*

Technical and organizational support before and during the event	✓	✓	✓	✓
<b>Further services</b>				
You can reach all participants, whether on-site or online, via the virtual platform and use it to write to them directly and request contact details.	✓	✓	✓	✓
Access to the directory of participants on the virtual platform	✓	✓	✓	✓
Display of the sponsor's logo on the EUROMAT website	As a platinum exhibitor	As a gold exhibitor	As a silver exhibitor	As a bronze exhibitor
Display of the sponsor's logo in the break videos	As a platinum exhibitor	As a gold exhibitor	As a silver exhibitor	As a bronze exhibitor
Display of the sponsor's logo on the on-site rollups	As a platinum exhibitor	As a gold exhibitor	As a silver exhibitor	As a bronze exhibitor
Display of the sponsor's logo on the login page of the virtual platform of EUROMAT 2023	✓	✓	✓	—
Display of the sponsor's logo in the virtual poster room	✓	✓	—	—
One 60 second video before one of the plenary lectures	✓	✓	—	—
One company presentation slot of 5 minutes	✓	—	—	—
Display of the sponsor's logo on the name badges	✓	—	—	—
Display of the sponsor's logo on the poster numbers	✓	—	—	—

You can book your package at:

<https://euromat2023.com/sponsoring-exhibition>

\*1 excl. VAT

\*2 Only floor space is included in the price. Shell scheme, walls, carpet, electricity etc. has to be ordered separately. Please get in contact with expo@dgm-inventum.de.

\*3 The ticket entitles to participate in the scientific program. The presentation of a contribution is not included in this ticket. Authors with a contribution must purchase a separate ticket to the event.

\*4 Congress dinner is not included and must be booked separately for 120€ (VAT included) per person. Please contact expo@dgm-inventum.de if you are interested.

**FURTHER EXHIBITING AND SPONSORING OPTIONS**

**SERVICES**

**Virtual Exhibitor (2.000€)**

- VIRTUAL PREMIUM BOOTH - choose between two booth concepts including unrestricted links (video, pdf, links)
- visitors can reach you at any time via the chat module on your booth
  - 2 free online registration including access to the full congress program. The presentation of a contribution is not included in this ticket.
  - Display of the sponsor's logo on the EUROMAT website as an online exhibitor
  - Display of the sponsor's logo on the on-site signage banners
  - Display of the sponsor's logo in the program overview
  - Display of the sponsor's logo as an online exhibitor in the break videos

**Symposiums Sponsoring (1.500€)**

The Symposium sponsorship will cover 1 free registration (full week) for an invited speaker, or 2 free registrations (half week). Please note that it is up to the Symposia Organizers to decide on the receiver(s) of this grant.

Your company will also have the following benefits:

- Your company logo in the symposium program
- One Roll-Up banner at the symposium room (the sponsor is responsible for production and costs)
- Your company logo on the program overview on the door of the symposium room
- Display of the sponsor's logo on the EUROMAT website as an sponsor
- Display of the sponsor's logo in the program overview
- Display of the sponsor's logo as a sponsor in the break videos

**Inserts to the congress bag (1.500€)**

Distribution of flyers or brochures (1 per Bag) in the congress bags on-site

**Inserts to the congress bag (2.000€)**

Pens (one per Bag)

**Inserts to the congress bag (2.000€)**

Writing Blocks (Din A4 max) (one per Bag)

**Logo on Lanyards (4.000€)**

Your logo on the Congress Lanyards, General Design by EUROMAT

**Logo on Congress Bags (4.000€)**

Your logo on the front of the Bag, General Design by EUROMAT

**30 seat cubes on site (5.000€)**

All other sides can be designed by you, expect the top side of the cube

You can book your booth or our other sponsorship and exhibition opportunities at:

**<https://euromat2023.com/sponsoring-exhibition>**

**Booth builder**

We are cooperating with the company ISM-Tec GmbH for EUROMAT 2023. The booth builder is familiar with the conditions on site and has an extensive product catalog, including package stands. You will find an overview of the products at: <https://products.ismtec-gmbh.de/Produkte/>
